General Ordering Info

Ordering

An order can be made by telephone, fax, letter or e-mail. An order confirmation will be sent within 2 - 4 days, as we have to check the availability. If no objection is raised when received the order is to be considered accepted

Availability

As the Lancia Gamma is becoming a rarity, parts are subject to be obsoleted. If you decide to buy parts for your Lancia Gamma then consider the fact that the sooner the better, as in two weeks the parts may be unavailable. And please do allow us some time to process your order, we too have to struggle sometimes to help you getting just the right piece.

Prices

All our low prices are guide nett retail prices in Danish Kroner and DO NOT include discount, delivery costs, foreign customs or VAT. We reserve the right to change prices without prior notice. Certain items may no longer be supplied or may only be available with extended delivery time. In these circumstances we will attempt to provide an alternative

Discounts

We're only discounting prices when ordering larger amounts of parts. When ordering parts exceeding a certain amount the prices are subtracted a certain amount as per the following. Please notice that there is no discount on shipping and VAT. When ordering parts at an amount exceeding dkk 5,000.00 a discount rate of 10% can be expected, by ordering parts at an amount exceeding dkk 15,000.00 a discount rate of 15% can be expected.

Payment

There are various ways of paying your goods. The goods can be paid in advance using our 'Postgiro' account, a bank swift transfer in Dkk, a cheque in your local currency, made payable to 'Fa. Niels Laursen', or Online payment using Visa, MasterCard, Discover, or American Express Credit Cards, using PayPal. Please notice that all expenses concerning paying is to be paid by the customer.
