Preface

You're now looking at Europe's largest X 1/9 parts catalogue. We're capable of delivering virtually any X 1/9 sparepart

This fact states that we have the largest stock of parts for your X 1/9, no-matter model or year. Where available we sell genuine Bertone/Fiat spareparts. When genuine parts aren't available we're selling high quality non-genuine parts.

Our prices are nett prices so you'll easily save up to 40% when purchasing you parts at us. You may say that we already has discounted our parts up front.

All prices in this catalogue are in Danish kroner, and valid as pr March 1, 2010, All prices are excl VAT, shipping and handling.

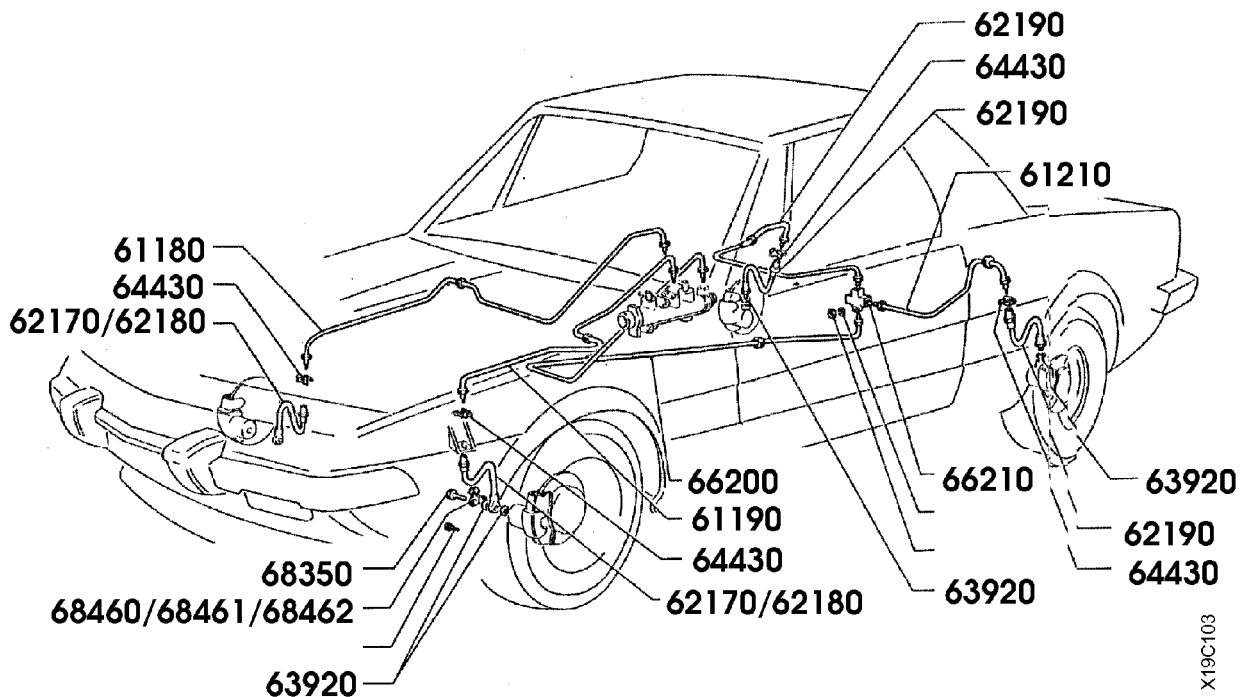

Please note that all parts which are presently unavailable are marked "0,00" instead of price, parts may be available later.

For the current valid pricelist, please visit us at the internet:

Brakes

General Ordering Info

Ordering

An order can be made by fax, letter or e-mail. An order confirmation will be sent within 2 - 4 days, as we have to check the availability. If no objection is raised when received the order is to be considered accepted

Availability

As the X 1/9 is becoming a rarity, parts are subject to be obsoleted. If you decide to buy parts for your X 1/9 then consider the fact that the sooner the better, as in two weeks the parts may be unavailable. And please do allow us some time to process your order, we too have to struggle sometimes to help you getting just the right piece.

Prices

All our low prices are guide nett retail prices in Danish Kroner and DO NOT include discount, delivery costs, foreign customs or VAT. We reserve the right to change prices without prior notice. Certain items may no longer be supplied or may only be available with extended delivery time. In these circumstances we will attempt to provide an alternative

Discounts

We're only discounting prices when ordering larger amounts of parts. When ordering parts exceeding a certain amount the prices are subtracted a certain amount as per the following. Please notice that there is no discount on shipping and VAT. When ordering parts at an amount exceeding dkk 5,000.00 a discount rate of 10% can be expected, by ordering parts at an amount exceeding dkk 15,000.00 a discount rate of 15% can be expected.

Payment

There are various ways of paying your goods. The goods can be paid in advance using a bank swift transfer in Dkk, a cheque in your local currency, made payable to 'Fa. Niels Laursen', or Online payment using Visa, MasterCard, Discover, or American Express Credit Cards, using PayPal. Please notice that all expenses concerning paying is to be paid by the customer.

BANK: Danske Bank A/S, Holmens Kanal 2, Dk-1092 København K
Swift Code: DABADKKK
Account no: 9570-8842353
IBAN Code: DK14 3000 0008 8423 53

Delivery time

Normally goods will be dispatched within 1 - 2 weeks, but it may take longer, as some parts are difficult for us to get. Typical delivery time for parcels to North America and Australia 8 - 10 days.

Export World Wide

We do export world wide, in fact 60 - 70% of our sale is export. When delivering to countries which is not in the EU the sum will be in Danish Kroner exclusive VAT and customs. When delivering to countries within the EU the prices will be subject to Danish VAT (25%) - goes for non-VAT registered customers only VAT registered customers within the EU will receive parts without VAT. Please notice that all prices will be charged in Danish Kroner.

Shipping

Shipping the goods is at risk of the customer and all expenses hereof is to be paid by the customer

Fa. Niels Laursen

<http://laursen-online.dk>
Email: info@laursen-online.dk
Fax.: +1 30 9276 6368

All prices are excl. VAT and valid as pr. March 1. 2010

Damaged goods

On receipt of the goods, it is of great importance to check if the packing is damaged which could have led to damage of the contained goods. If there is any sign of damage the carrier should be drawn to attention of this. If the goods are damaged it's the carrier who has the responsibility.

Complaints/Returning of Goods

If the delivery contains faulty items or items are missing, we should be noticed within 2 working days after delivery. In case of complaint you are subject to state order # item # and what the fault is, thereafter we'll conclude wether the good has to be returned. Returning of processed or used goods will not be accepted. Returning of goods are only accepted if we have approved it. If goods are returned without prior notice we will charge a handling fee of 10% of the order-sum, but not less than our actual handling expenses and never less than dkk 100.00.
